GOALS & OBJECTIVES

HOUSING & HOMELESSNESS

Increase opportunities for more diverse housing through public and private options.

ACCESS & MOBILITY

Invest in multi-modal mobility strategies and existing and future infrastructure so that individuals of all ages, abilities and income have a network of complete, barrier free, safe, year round access to our community's amenities and basic needs.

CONNECTING PEOPLE WITH EACH OTHER AND NATURE

Invest in facilities and amenities in order to create vibrant City spaces that connect all people to nature and to each other.

ECONOMIC DEVELOPMENT

The City will foster economic development by adopting a growth mentality and by conserving and maintaining natural resources. It will work with partners to invest in and maintain amenities that support a wide variety of industries, build the workforce, and attract well-paying jobs with the region's future in mind.

WATER SYSTEMS

Proactively and consistently maintain, conserve, and manage water and water systems to reduce harm to the systems themselves as well as public health and safety.

CLIMATE CHANGE

Address climate within all of our City priorities, goals, policies, and actions.
